and NINGBO DALTON MACHINERY
INDUSTRIAL COMPANY LTD.

Defendants.

-----X

Case No.: 19-cv-11522 (KPF)

**ORDER REGARDING LIMITED
JURISDICTIONAL DISCOVERY**

Pursuant to the Court's order of April 30, 2021 (Doc. 107), the parties have jointly submitted a proposed plan for production of documents minimally necessary to determine whether this Court may assert jurisdiction over P&F Brother Industrial Corp. ("P&F") in the instant case.

Therefore, P&F shall provide the following documents, if P&F possesses them, to the other parties, subject to the Confidentiality Agreement in place in this matter, on or before July 23, 2021:

- 1) Any sales or distribution agreement regarding the distribution of the RYOBI brand compound miter saw, model #TS1552/TS1552DXL (the "Saw"), to which P&F was a party, or any other documentation showing P&F's participation in the chain of distribution of the Saw.
- 2) Documents indicating that P&F designed, manufactured, assembled, or distributed the Saw, or participated in any manner in those processes.

- 3) Joint Venture Agreements to which P&F was a party regarding Precision Technology Industries, Ltd. and/or Ningbo Dalton Machinery Industrial Company Ltd. (“Ningbo Dalton”) as indicated in the declaration of Carole Huang dated in 2020.
- 4) Documents indicating the corporate relationship between P&F and Ningbo Dalton during the time the Saw was in production.
- 5) Manufacturing Agreements regarding the Saw.
- 6) Purchase Orders, Invoices, Change Orders and/or documentation regarding payments on those Orders for the Saw.
- 7) Intellectual property documents or agreements relating to the Saw, including any patents or copyrights relating to the Saw to which P&F or the Joint Venture were parties/beneficiaries, and any confidentiality agreements relating to the sharing of intellectual property in connection with its manufacture.
- 8) Shipping documents for the Saw, or any other documentation indicating where the Saws were sent by P&F/Joint Venture after manufacture.
- 9) Any documentation indicating the number of examples of the Saw manufactured by the Joint Venture, or by P&F.

SO ORDERED.

Date: May 21, 2021
